

# GLEON analytics group attendees

- Kevin Rose
- Stuart Jones
- Marieke Frassl
- Luke Winslow
- Gerardo Perillo
- John Melack
- Corinna Gries
- Jordan Read

# Meeting summary

- Recognize the importance of GLEON's "other" capacities:
  - Models
  - Analytics tools
  - Visualizations
- Provide support net and encouragement for these products
  - Track new age impact stats (usage, clicks, likes...)
  - Create tutorials and educational sessions

# Next steps

- Provide full summary document with recommendations to the Steering Committee
- Explore visualizations for communicating the importance of GLEON science
  - Figure/visualization gallery (with code) [gleon.org](http://gleon.org)?
