Questions/Comments about
anything GLEON?

Some Highlights

- Jovance
 - the setting and facilities
 - the food
 - the staff
- The entertainment
 - Outdoor fun
 - Jon Lenters rocks!
 - Bon fires

Some Highlights

- G16 as an experiment
 - Timing of the plenary talks
 - High number of ad hoc groups
 - The “get to know you” exercise
 - Record number of workshops (some tomorrow!)
- G16 outreach activity
- Quality of the science
- Culture – friendly, positive, team science

Amazing
Grace!
